Dear Prospective Contributor:

In our current tumultuous economic situation, there are very few investments that are guaranteed to return satisfactory results. Today, I would like to invite you to make such an investment. The Berean Christian Junior Academy (BCJA), founded in 1906, provides an excellent choice of education to its community, church, and nation. Our school's mission and goal is to show children Jesus Christ, nurture their love for Him and others, teach them to think critically and analytically, and empower them to serve. As a result we provide Christ-centered activities, encourage academic excellence, and moral values.

Since its inception, BCJA has expanded its horizons to greater heights and most recently been awarded the Adventist Edge School of Excellence. We provide an awesome children's ministry and are very excited about all the wonderful things that are taking place at our school. Additionally, we are currently certified by the Southern Association of Colleges and Schools/AdvancEd.

Over the next few weeks, BCJA is sponsoring "**The Parade of States**". Participation in "**The Parade of States**" requires ladies to raise a minimum of \$1,000 for the state they are representing. No gift will be too small.

Funds acquired will be earmarked to support our professional development for teachers as well as support improvements in technology and physical education. Not only will your partnership with BCJA impact our current students, but it's guaranteed to impact potential students making their future brighter and our world better.

Please give, as you are impressed to help in this venture and return the form below with your contribution payable to BCJA. All funds are 100% tax deductible. When you make your charitable donation, you have the option of paying on-line at www.bcjaschool.org. Just click on Parade of States and follow the prompts. If you choose to pay by check, make all checks payable to Berean Christian Junior Academy and indicate the "state" on the memo line.

I thank you for your support and look forward to reaching our goal with your help!
