TESTING

Testing is used to determine your child's academic progress so we can best serve his/her needs. These instruments help the teachers evaluate strengths and weaknesses in order to and meet your child's individual needs. **If your child has had any prior testing, it is important for the school to have a copy of the results so additional testing is not administered unnecessarily.**

Evaluations may include:

- Achievement
- Mental Age
- Concentration & Focusing Ability
- Observations (Behavior, social, academic, etc.)
- Cognitive Ability
- Readiness
- Developmental Maturity
- Learning Differences
- Learning Styles & Aptitude
- Other_____

"I give permission for Berean Christian Junior Academy to evaluate my son/daughter during the registration process and at any time s/he is enrolled here. I understand that after the testing results are completed, I will be notified and a meeting will be held to discuss the results."

TEXTBOOK AGREEMENT

Berean Christian Junior Academy loans your child the textbooks s/he uses throughout the school years that s/he is enrolled here. These books are loaned for a fee that covers the use of the books during the year. Should any of the books be lost or damaged, they will be charged to your account at the current replacement cost. At the end of the year, the books are to be returned to the teacher in good condition, with no marks or damage in or on them. ***"I have read the BCJA Textbook Agreement and will abide by these terms."***
